Dear Mr. Griffin:

Re: Extension for Response to Deficiency Letter, Red Dome, Inc., Red Dome Volcanic Cinders, M/027/032, Millard County, Utah

This letter is to follow up on our meeting of March 25, 1994. The Division sent Mr. Dexter Anderson a letter, dated February 2, 1994, requesting a response to the Division's August 31, 1993 review letter by March 4, 1994. Due to extenuating circumstances, this request was not met and you have requested an extension. At the meeting we discussed a mutually agreeable 60-day time extension beyond the March 4 deadline. The Division hereby extends the timeframe for receipt of your response to our August 31, 1993 review letter until May 9, 1994.

I would like to confirm our onsite meeting scheduled for April 29, 1994 at 10:30 a.m. Rody Cox of the Bureau of Land Management and members of the Division staff will be attending the meeting.

Thank you for your cooperation. If you have any questions please call me or Wayne Hedberg at (801) 538-5340.

Sincerely,

Travis W. Jones
Reclamation Hydrologist
